

MEET THE TEACHER!

Infant 1

Amanda Puckett, Assistant Teacher

Hello! My name is Amanda Puckett. I am 29 years old and have two wonderful daughters. My oldest daughter is 7 years old and my youngest daughter is 5 years old.

I grew up in Williamsburg and now live in Mt. Orab. I love spending time with infants. They are so much fun!

In my spare time, my family and I like to ride four wheelers. We really love spending time outside and with each other!

Please let me know if you have any questions. I look forward to caring for and nurturing your child every day at KFA.
