

MEET THE TEACHER!

Sarah Fourman

Administrator, July 10-Present

Hello, my name is Sarah Fourman. I have had the opportunity to work at Kids First Academy since July 10, 2017 as the Administrator. I absolutely adore Children and have loved my time here at KFA.

I have taught children for over 8 years now and couldn't imagine working in a different field.

After teaching for 6 years, I was given an amazing opportunity to work as the Office Manager of all of the Greater Dayton YMCA Childcare Centers. After about a year, I was contacted by a former School to come back as their Curriculum Director. It was a year later that I decided it was time to relocate and joined the KFA team. I have obtained my CDA and am currently working on receiving my Associates in Business Management. I plan to one day open my own center.

Please feel free to stop by the office anytime!
